Justin/David/Sarah – Can you review this for accuracy? You can either call me or do tracked changes, whichever is easier for you. Once we are good, I will send it to DOJ. We just want to make sure that the statement **is accurate and factual**. But, I also want it to make sense to the public. The clearer it is here, the less questions we will need to ask you all later. You can reach me at 202-309-3416, if you want to discuss. Sarah, I hope you can review the section on CWA/WOTUS...I am nervous about sending this out too broadly, since we want this to go out tomorrow am. Thank you – Liz
